EDUCATION

Texas Christian University – United States

Bachelor of Art and Science - Computer Science

Bridge2Rwanda Program - Kigali/Rwanda

College Readiness Program.

Byimana School of Sciences - Ruhango/Rwanda

Advanced level – MPC (Mathematics-Physics-Computer Science). Achieved Grade: 60/60

EXPERIENCE

Kigali Hills Clinic Intern December 2022

Database Coordinator

- Recording patient records, maintaining their information to avoid data loss, doing daily backup to avoid losing data, and managing user access to promote secrecy.
- Preparing reports to be submitted to regulatory bodies; working with the IT team to create our own software for storing our information.

Texas Christian University 2023-*Present*

Intramural Official

- Engaging in all intramural officials activities such as meetings and seasonal training.
- Volleyball and Basketball referee.

Ecole des Science Byimana *2021-2022*

Clubs Prefect

- As a club coordinator, I was able to introduce school clubs competition, clubs trips and sortie and I merged complementary clubs, registered two new clubs and organised school events.

Scholar Aid Byimana *2021-2022*

Vice President

- Together with the club, we were able to pay school fees for three Byimana students and offered scholastic materials to students at GS Bukomero.

Groupe Scolaire Officiel de Butare *2018-2019*

Store Manager

- As the Store manager at GSOB, I was able to reduce the materials getting lost from 90% per term to 10%; Painted the stock with new colour; introduced annual stock report for sanitary equipment

AWARD AND HONOURS

➢ Won the Inter-class School Level Debate Competition (ISLC) at Ecole des Science Byimana.
➢ Ranked First in school clubs competition at Ecole des Science Byimana.
➢ Ranked First in the Toastmasters competition within our school region(The Southern Province).
➢ Ranked Second in the School Leaders Competition at Groupe Scolaire Officiel de Butare.
